ZEMLJE UČESNICE
GREETINGS

Günter Titsch

Predsednik organizacije INTERKULTUR /
President INTERKULTUR

Dragi prijatelji horske muzike,

Želim vam toplu dobrodošlicu u Vrnjačku Banju, prestižnu banju u Srbiji. Ovo je prvi festival koji INTERKULTUR organizuje na Balkanu i u Srbiji. Jako smo srećni što nam se ukazala prilika da ovaj region uvrstimo u mapu naših događaja koji se odvijaju širom sveta. Iskreno se nadamo da će ovaj festival naići na široko odobravanje publike, posebno horova u Srbiji i okruženju, kao i ostalih horova i ansambala koji dolaze da nam se pridruže i nastupe na našem festivalu. Već mnogo godina brojni horovi sa Balkana i iz Srbije učestvuju na različitim manifestacijama u organizaciji INTERKULTUR-a širom sveta, u Evropi, Aziji ili SAD-u. Njihovo učešće je živi dokaz visokog standarda i kulture koju je horska muzika očuvala do danas. Slobodno možemo reći da nam je to bio dovoljan razlog da organizujemo ovu manifestaciju u Vrnjačkoj Banji, kako bi i ona zauzela značajno mesto u budućnosti, među ostalim fascinantnim gradovima u svetu koji su bili domaćini naših takmičenja.

Ne tako davno, 8. Svetske horske igre u Rigi završene su neverovatnim uspehom naše međunarodne zajednice ljubitelja horske muzike. Ukupno 460 horova iz 73 države pridružilo se ovom najvećem takmičenju na svetu za zlatne, srebrne i bronczane medalje i diplome. A detaljne pripreme za sledeće takmičenje već su u toku! Tako, na primer, mi već pozivamo horove iz celog sveta da nam se pridruže i uzmu učešće u Evropskim horskim igrama koje će se održati u Magdeburgu u Nemačkoj, u julu 2015.g. Veliko mi je zadovoljstvo što počinjemo saradnju sa Srbijom. Želeo bih da izrazim iskrenu zahvalnost svim ljudima koji su pomogli u organizaciji ove prve manifestacije na ovim prostorima i poželim sreću i prijatan boravak u Vrnjačkoj Banji svim posetiocima i ljubiteljima horske muzike.

Günter Titsch
Predsednik INTERKULTUR-a

Dear Friends of Choral Music,

I would like to welcome you very cordially to Vrnjačka Banja, a prestigious spa town in Serbia. This is the first festival that INTERKULTUR organizes in the Balkans and in Serbia. It pleases us greatly that we have been given the opportunity to include this region in the map of our events that take place all over the world. We dearly hope that this festival here will be met with widespread approval in particular by the choirs in Serbia and its neighbouring countries as well as by all the other choirs and ensembles that travel to join and participate in our festivals.

For many years now, a great number of choirs from the Balkans and Serbia have been coming to the various INTERKULTUR competitions around the globe, be it in Europe, Asia or the United States of America. Their participation is living proof of the high standards and culture of choral music kept alive in this region for so long. It is safe to say that this was more than reason enough for us to organize this event here in Vrnjačka Banja in order to put down a clear marker for the future and with this region being a valuable asset among the fascinating places around the world that host our events.

Just a short while ago, the 8th World Choir Games in Riga ended with an amazing success for our international community of lovers of choral music. A total of 460 choirs from 73 countries joined and competed in the world's biggest choir competition for gold, silver and bronze medals and diplomas. And intensive preparations for the next competitions are already under way! So, for example, we are currently inviting the choirs from all around the world to join us and participate in the European Choir Games taking place in Magdeburg, Germany, in July 2015.

It is a great pleasure for me to see our start here in Serbia now taking shape. I would like to express my sincere gratitude to all the persons that have helped to realize this first event here and I wish good luck and an enjoyable time in Vrnjačka Banja to all visitors and lovers of choral music.

Добро дошли у Србију у којој се традиција хорског натпевања броји вековима, а своје корене дугује Православном литургијском појању. Част нам је што ће на мапи света у низу градова домаћина међународне манифестације „World Choir Games“ бити уписано и име једне од најстаријих и најугледнијих бања Европе – Врњачке Бање.

Људски глас – најлепши од свих инструмената – музиком слави љубав и учи нас хармонији. Песмом изражавамо своје најдубље емоције једнаке за све људе света – радост и тугу , чежњу и носталгију , усхићење, занос, победу.

Сложену у вишегласно хорско певање, музиком шаљемо поруке мира и љубави међу људима. Песмом се разумемо. од музике учимо да су сазвучје и хармонија међу различитим гласовима идеал слоге и разумевања међу различитим културама и народима . Тежимо визији света као великог хора свих нација сложеног у хармонији и ведрини песме која слави живот.

Запевајмо у слози и љубави. Нек игре почну !

Томислав Николић
Председник Републике Србије

Welcome to Serbia, where the tradition of choral singing competition has for centuries been held owing its origins to the Orthodox liturgical chant. We are honored that on the world map among the number of host cities of the international manifestation „World Choir Games“ will be also registered the name of one of the oldest and most respected spas of Europe – Vrњачка Бања.

The human voice – the most beautiful of all musical instruments – by music celebrates love and teaches us harmony. With songs we express our deepest emotions equal for all people in the world- joy and sorrow, longing and nostalgia, delight, enthusiasm, victory.

Packed in polyphonic choral singing, with music we send messages of peace and love among men. Through songs we understand each other, from music we learn that the consonance and harmony among different sounds are an ideal of harmony and understanding among different cultures and nations. We strive for a vision of the world as the great choir of all nations put together in harmony and serenity of a song that celebrates life.

Let us sing in harmony and love. Let the games begin!

Dear participants of the 1st International Choir Competition and Festival in Vrnjačka Banja 2014,

Welcome to the most famous spa in Serbia! I would like your voices and your singing, from the heart of Serbia, from Vrnjačka Banja, to be spread throughout our beautiful country, region and around the world.

Make yourself at home, feel as in a temple of culture and art, because for decades we have been the meeting place of artists and creators of culture. We are also very proud about the Festival of Film Screenplay that has been held here for four decades.

For centuries Vrnjačka Banja has been offering its natural healing and beauty to people of all ages, residents, guests, the young and old, the sick to be healed, healthy people to maintain their health, artists to realize their ideas. It was and still is: a spa, resort, shelter and a place of love and artistic oasis. Vrnjačka Banja - queen of Serbian tourism is looking forward to meeting you!

O ORGANIZACIJI INTERKULTUR *ABOUT INTERKULTUR*

... “Povezivanje mostova“ / ... *Connecting Bridges*

Prvo INTERKULTUR Internacionalno takmičenje horova u Budimpešti 1988.g., bilo je početak jednog od najvećeg i najuspešnijeg niza kulturnih događaja u Evropi . INTERKULTUR EVENT je u međuvremenu postala poznata širom sveta po svojim visokim umetničkim i organizacionim standardima i kao koncept za horove i ljubitelje horova širom sveta. Ove događaje organizuje INTERKULTUR, neprofitna organizacija sa sedištem u Nemačkoj.

Najveći uspeh organizacije INTERKULTUR do sada bio je unošenje ideje Olimpijskih igara u hor. Olimpijada horova 2000.g. u Lincu, Austrija, bila je početak pokreta Olimpijade horova sa kasnijim nastupima u Busanu, Republika Koreja 2002.g. i Bremenu, Nemačka 2004.g. Ovaj uspeh se nastavio kao „Svetske horske igre „u Ksiamenu, Kina, 2006.g., Gracu, Austrija, 2008.g., Shaok singu, Kina, 2010.g. i Sinsinatiju ,SAD 2012.g.

2014.g.manifestacija „Svetske horske igre.. održana je u Rigi , Letonija i označila je najveći događaj u istoriji horova sa olimpijskim idejama uz 27.000 učesnika. 2016.g. „Svetske horske igre ..će stići do Olimpijskog grada Sočija u Rusiji.

Još jedna prekretnica u istoriji organizacije INTERKULTUR bilo je organizovanje Svetskog prvenstva za horove . Prvo Svetsko prvenstvo horova debitovalo je 2009.g. u provinciji Gieongnam, Republika Koreja, a zatim je sledilo i Svetsko prvenstvo za mlade u julu 2011.g. u Gracu, Austrija. Grac je ponovo bio grad domaćin za INTERKULTUR događaj , jer su tamo održani prvo evropsko takmičenje horova i „Songs of Spirit Festival“ u julu 2013.g. Drugi ciklus ove evropske verzije „Svetskih horskih igara.. održaće se u Magdeburgu , Nemačka u julu 2015.g.

Ideja

INTERKULTUR je postao simbol jedinstvene umetničke ideje, donoseći nov način interpretacije na festivalu horova.Za razliku od tradicionalnih akreditovanih horskih takmičenja, na kojima se takmiče samo elitni međunarodni horovi, INTERKULTUR takmičenja su otvorena i za sve amaterske horove. Horovi iz svih delova sveta koji žele da steknu međunarodno festivalsko i takmičarsko iskustvo mogu se takmičiti u rangu svog umetničkog dostignuća. Umetnički odbor

stavlja akcenat na prisustvo najvišeg nivoa horskih izvođača, kao i na prisustvo najveće raznolikosti horova u svim takmičenjima. U poslednje dve decenije brojne organizacije su kopirale ovu novu vrstu takmičenja. Sa idejom da se svake dve godine organizuju "Svetske horske igre", ranije poznate kao „Olimpijada horova“, INTERKULTUR je otvorio vrata novim impulsima i perspektivama nacionalnih i međunarodnih horskih pokreta.

Pečat kvaliteta

Više od 20 godina MUSICA MUNDI® predstavlja ekskluzivni pečat kvaliteta svih manifestacija INTERKULTUR-a u svetu. Sistem rangiranja na kom su bazirana sva takmičenja u organizaciji INTERKULTUR-a od prvog koncerta 1988.g. u Budimpešti, stalno se usavršava. MUSICA MUNDI® garantuje korelaciju među svim manifestacijama, dobru organizaciju, a postavila je i standarde u svetu horske muzike.

Takmičenja

Postoje različite kategorije svih vrsta i nivoa horova po različitim stepenima težine, sa ili bez obaveznih komada. Takmičenja nude dobre uslove, vredne umetničke kontakte, razne radionice i seminare, kao i mogućnosti saradnje sa međunarodnim izvođačima. Više od 200 stručnjaka i vodećih dirigenata iz celog sveta garantuje visok nivo stručnosti u svim INTERKULTUR događajima.

Sistem evaluacije

Prema sistemu evaluacije MUSICA MUNDI®, žiri dodeljuje bronzane, srebrne i zlatne diplome u 10 nivoa u INTERKULTUR takmičenjima uz bronzane, srebrne i zlatne medalje na Svetskim horskim igrama i Svetskom prvenstvu hora,. U svakoj kategoriji određuje se pobednik ili šampion, a izuzetna dostignuća se nagrađuju specijalnim nagradama. U nekim takmičenjima postoji velika nagradna igra u okviru kategorije dobitnika, koja određuje sveukupnog pobednika takmičenja.

Pedagoški koncept

INTERKULTUR događaji nisu samo takmičenja i međunarodne horske svečanosti. Horovi su u mogućnosti da dobiju povratne informacije u oblasti raznih pedagoških sfera. U okviru evaluacije, horovi imaju priliku da sarađuju sa međunarodnim članovima žirija i dobiju savete o svom trenutnom nivou postignuća, stručne pedagoške i umetničke informacije kao i predloge kako da interpretiraju izabrani komad. Horovi mogu pohađati radionice i seminare i učestvovati na koncertima "Prijateljstva i Slavlja" koji omogućavaju međunarodnim horovima da nastupaju sa horovima građa domaćina tokom INTERKULTUR događaja.

Lokacije festivala i takmičenja

Do danas, INTERKULTUR je organizovala nastupe u Austriji, Češkoj, Nemačkoj, Mađarskoj, Indoneziji, Izraelu, Italiji, Maleziji, Malti, Narodnoj Republici Kini, Republici Koreji, Španiji, Švedskoj, SAD-u i Vijetnamu. U jesen 2014.g. nove horske manifestacije održaće se po prvi put u Srbiji.

Učesnici

Ukupno, više od 7.600 horova sa oko 340.000 aktivnih pevača iz 100 zemalja učestvovali su u INTERKULTUR takmičenjima do sada. Interesantno je napomenuti da su više od polovine učesnika bila deca i mladi do 25 godina starosti.

Sredstva podrške

U skladu sa svojim statutom, INTERKULTUR podržava sledeće aktivnosti:

- Medunarodne muzičke festivale i horska takmičenja čiji je cilj da okupe horove iz različitih regionala sveta i podstaknu međunarodnu saradnju kroz uzajamno poštovanje, kao i da doprinesu razmeni kulture i razumevanju među narodima
- Decje i omladinske horove i iz finansijski osporavanih zemalja
- Amaterske horove koji se fokusiraju na razvoj mladih
- Mlade, talentovane dirigente, mlade muzičare i pevače kroz dodelu stipendija
- Specifične mogućnosti sponzorisanja

Evropska nagrada za kulturu

INTERKULTUR je 2006.g.dobila Evropsku nagradu za kulturu, za aktivnosti u oblasti razumevanja među ljudima i proširivanju zajedničkog evropskog stava u oblasti kulture od strane bivšeg nemačkog ministra spoljnih poslova, Hansa Ditricha Genšera, koju joj je uručila Kulturforum Evropa.

The first INTERKULTUR International Choir Competition in Budapest, held in 1988, was the start of one of the largest and most successful series of cultural events in Europe. The INTERKULTUR Event Series has meanwhile become known throughout the world for its high artistic and organizational standards and as a concept for the choirs and choir enthusiasts worldwide. These events are organized by INTERKULTUR, a non-profit organization based in Germany.

INTERKULTUR's biggest success to date was to bring the antique Olympic idea to the choral community. The Choir Olympics 2000 in Linz, Austria was the beginning of a Choir Olympic movement, with subsequent events in Busan, Republic of Korea in 2002, and Bremen, Germany in 2004. This success continued as the "World Choir Games" in Xiamen, China in 2006, Graz, Austria in 2008, Shaoxing, China in 2010, and Cincinnati, USA in 2012. In 2014, the World Choir Games were held in Riga, Latvia and marked the biggest event in the history of the choir Olympic idea attracting 27,000 participants. In 2016, the World Choir Games will come to the Olympic city of Sochi in Russia.

Another milestone in the history of INTERKULTUR was to establish a World Championship for choirs. The first World Choir Championships debuted in 2009 in the Province of Gyeongnam, Republic of Korea, followed by the World Choir Championships for Youth and Young Adults in July 2011 in Graz, Austria. Graz again was the host city for a INTERKULTUR event, the first European Choir Games and the "Songs of Spirit Festival" were held in July 2013. The second edition of this European version of the World Choir Games will be held in Magdeburg, Germany in July 2015.

The Idea

INTERKULTUR has become the symbol for a unique artistic idea, consisting of a new interpretation concerning the execution of choir festivals. In comparison to traditional meritorious choir competitions that only invite international elite choirs to take part; the INTERKULTUR competitions are open to all non-professional choirs. Choirs from all over the world, interested in gaining international festival and competition experience, can compete according to their level of artistic achievement. The Artistic Committee puts emphasis on the presence of the highest level of choral performers as well as on the presence of the greatest diversity of choirs in all competitions. This new type of competition has been copied by numerous organizations in the past two decades. With the idea to organize the World Choir Games, formerly known as "Choir Olympics" biennially, INTERKULTUR has opened a door to new impulses and perspectives for the national and international choral movement.

The Quality Seal

For more than 20 years, MUSICA MUNDI® has been the exclusive quality seal for all INTERKULTUR events worldwide. The rating system on which all INTERKULTUR competitions are based upon since the first event in Budapest in 1988 have been improved continuously. MUSICA MUNDI® ensures comparability among all events, a smooth organization and has set standards in the world of choral music.

The Competitions

There are various categories for all types and levels of choirs in different degrees of difficulty, with or without compulsory pieces. The competitions offer good competitive conditions, valuable artistic contacts, various workshops and seminars, as well as practice opportunities with international performers. More than 200 experts and leading choirmasters from all over the world guarantee a high level of expertise in all INTERKULTUR events.

Evaluation System

The jury awards Bronze, Silver, and Gold Diplomas on 10 levels at INTERKULTUR competitions along with Bronze, Silver and Gold Medals at the World Choir Games and World Choir Championships, according to the MUSICA MUNDI® evaluation system. In each category, a winner or champion is determined and outstanding achievements are honored with special prizes. In some competitions there is a grand prize competition of the category winners which determines the overall winner of the competition.

The Pedagogical Concept

INTERKULTUR events are not just competitions and international choir festivals. Choirs are able to receive feedback from various pedagogical offerings. In evaluation rounds, choirs have the chance to work with international jury members and gain advice on their current level of achievement, receive proficient pedagogical and artistic information and obtain suggestions as to how to interpret the chosen piece. Choirs may also attend workshops and seminars along with participation in Friendship and Celebration Concerts which allow international choirs to interact with choirs of the host city during INTERKULTUR events.

Locations of Festivals and Competitions

To date, INTERKULTUR events have taken place in Austria, Czech Republic, Germany, Hungary, Indonesia, Israel, Italy, Malaysia, Malta, People's Republic of China, Republic of Korea, Spain, Sweden, USA and Vietnam. In fall 2014 a new choral event takes place in Serbia for the first time.

The Participants

In total, more than 7,600 choirs with roughly 340,000 active singers from 100 countries have taken part in the INTERKULTUR competitions to date. An interesting note is that more than half of the participants have been children and youth up to 25 years of age.

Means of Support

In accordance with its statutes, INTERKULTUR supports the following activities:

- International music festivals and choir competitions whose goal is to bring together choirs from different regions of the world and encourage international collaboration through mutual respect, as well as to contribute to cultural exchange and understanding among nations
- Children and youth choirs even from financially challenged countries
- Non-professional choirs that focus on the growth of youth development
- Young, talented choirmasters, young musicians and singers through the support of scholarship awards
- Specific sponsorship opportunities

European Culture Award

INTERKULTUR was awarded the 2006 European Culture Award, by former German Minister of Foreign Affairs, Hans Dietrich Genscher and presented by KulturForum Europa, for its activities on behalf of understanding between peoples and furtherance of common European thinking in the field of culture.

O VRNJAČKOJ BANJI
ABOUT VRNJAČKA BANJA

0 Vrnjačkoj Banji / About Vrnjačka Banja

Vrnjačka Banja, najpoznatije banjsko mesto u Srbiji se nalazi 195 km južno od Beograda. Ako se odlučite da, tokom jula i avgusta, posetite Vrnjačku Banju, starim vozom "Romantika" možete osetiti neverovatnu avanturu. Takođe možete uživati u šetnjama planinskim stazama obližnje planine Goč.

Istoriјa

Ne zna se tačno kada su pronađeni vrnjački izvori, ali pretpostavlja se da su se vode Vrnjačke Banje koristile još u ranom antičkom periodu. U prilog ovoj činjenici govori podatak, da su još 1924. godine, pronađeni delovi bazena iz perioda Rima, neposredno pored današnjeg Rimskog izvora. U isto vreme pronađene su i kovanice novca koje datiraju iz perioda pre Hrista, najverovatnije iz perioda od VI do II veka pre Nove ere.

Vrnjačka Banja je dobila ime po selu Vrnjci, u kome su i otkriveni mineralni izvori. Pretpostavlja se da se voda sa ovih izvora koristila za lečenje i u vreme Turske vladavine. Sasvim je izvesno da su turski vojnici koristili mineralne izvore za lečenje, pa čak i primoravali lokalno stanovništvo da im služe hranu i piće uključujući i proces samog lečenja. Kako bi izbegli da služe turske begove, stanovnici sela Vrnjci su zatrpanivali lekovite izvore.

Prve lekovite indikacije vrnjačkih voda utvrđene su u periodu Kneza Mihajla. Nakon utvrđivanja lekovitosti vrnjačkih izvora, započeta je i prva zvanična turistička sezona u Vrnjačkoj Banji, daleke 1867. godine, kada je Vrnjačku Banju posetila gospoda iz ostatka Srbije. Od te godine, banja je počela naglo da se razvija, a vidjeniji ljudi iz Srbije su počeli graditi vile u neposrednoj blizini izvora kao i po okolnim brdima. Danas su vile ponos Vrnjačke Banje.

Jedna od takvih vila je i poznati Zamak Belimarković, vila namesnika Belimarkovića, koja je sagradjena 1886. godine. Vila je sagradjena u stilu poljskih vila Severne Italije. Danas je vila muzej i galerija, koja nosi naziv – zamak Kulture. Nešto ranije, sveštenik Jefimije Popovića, očaran lepotom Vrnjačke Banje, na jednom od brda, 1856. godine sagradio je crkvu, današnju sabornu crkvu Vrnjačke Banje.

Znamenitosti

Jedan od današnjih simbola Vrnjačke Banje je vrabac Gočko, sa opancima, obučen u narodnu nošnju i sa tradicionalnom srpskom kapom (šajkačom) na glavi. Skulptura vrpaca, inače maskota "Igara bez granica" se nalazi u strogom centru Vrnjačke Banje i idealno je mesto za fotografisanje. Vrnjačka Banja ima sedam mineralnih izvora. Četiri se koriste u terapeutске svrhe, a ostale vode se flaširaju. "Topla voda" je najstariji i najpoznatiji vrnjački izvor. Na osnovu istraživanja utvrđeno je da se ova voda koristila još u doba Rima i to u periodu od I do IV veka Nove ere. Zanimljivo je da je temperatura ove vode 36.5 stepeni i gotovo je identična temperature zdravog ljudskog tela. Izvor "Jezero" je još jedan izvor tople vode u Vrnjačkoj Banji. Izuzetno je lekovito kupanje u hladnim vodama izvora "Snežnik" i "Slatina". Osnovna indikacija vrnjačkih voda je lekovito dejstvo kod bolesnika obolelih od dijabetesa, bolesti žući i gastrointestinalnog trakta.

Vrnjačka Banja is Serbia's best-known spa, located 195 km south from Belgrade. If you are heading to Vrnjačka Banja in July and August and are feeling adventurous, take the steam engine Romantika train and hop off at the foot of Mount Goč.

History

Though no one knows exactly when Vrnjačka Banja was discovered, historical records indicate that the mineral water here was used as early as the Antiquity period. In 1924, portions of bathing pools and an old Roman fountainhead (Fons Fomanus) were uncovered here. In the same year, archeologists found 500 Roman coins, some dating back to before the time of Christ, but most from the 2nd through the 6th centuries.

Vrnjačka Banja's name comes from the village of Vrnjci, where the mineral springs were discovered. According to legend, Vrnjačka waters had known medicinal uses during the Turkish rule. Some believe that wounded Turkish cavalrymen came into Vrnjačka Banja for treatment and forced locals to feed and attend them during their recovery. In an attempt to avoid serving the Beys (Turkish leaders) some locals apparently tried to bury the springs.

Vrnjačka Banja flourished during the time of Prince Mihailo. Since its first official season opening in 1867, Vrnjačka Banja became a summer vacation spot of the elite. The resort features a number of beautiful 19th and 20th century villas around the spring and atop the surrounding hills. Today, they are the pride of Banja.

One of these stunning structures is the palace of King Regent Belimarković (1886). Built in the style of a countryside villa in Northern Italy, the palace is now a cultural center and gallery known as the Palace of Culture. The homes on Čajkino hill are especially beautiful. Priest Jefimije Popović built the small church at the very top of the hill in 1856. He was a great admirer of the Banja's beauty and opened the first spring here in the very same year.

Activities

*Vrnjačka Banja's symbol is the sparrow wearing Serbian folk shoes (*opanci*) and sporting a Serbian national hat (*Šajkača*) on its head. Stroll through the city and you will discover a sculpture of the sparrow in the very center of Banja. If you find it, it is mandatory that you take a photo of yourself next to it. Everyone else does!*

Vrnjačka Banja features seven beautiful mineral water springs. Four are used for therapeutic purposes, and two for bottled mineral water. Topla voda (warm water) is Banja's oldest and most famous mineral water spring. According to archeological findings, it was used in the Roman period between the 1st and 4th centuries. The 36.5°C water of this spring is equivalent to the temperature of the human body. Jezero is another warm water spring. If you are looking for a refreshing dip, head to Snežnik (17.5°C) and Slatina (14°C), Banja's cold water springs. Individuals come to Banja to find relief from diabetes, bile illnesses, and a range of gastrointestinal illnesses.
